Road, Gual Pahari, Gurugram,
India

Timings	Agenda Particulars
1000-1020 hrs	Introduction and Ice-Breaking Session
1020 - 1030 hrs	Welcome Remarks
1030 - 1200 hrs	<p>A. Knowledge Session</p> <p>Thought leaders from across the globe inspire the league/sustainability champions by sharing their success stories, challenges while walking the path of sustainability. This session will provide insights on emerging trends and global developments on sustainability which will help CSOs remain abreast to the pulse of the market, region and company culture. These trends are vital to devising a strategy for implementing change that aligns with the current global market scenario.</p> <ul style="list-style-type: none"> • A Global Perspective- Emerging Sustainability Trends and Integrating Sustainability in product design and process Scott Tew, Executive Director, Center for Energy Efficiency & Sustainability, Ingersoll Rand • Energy Transition in India Ajay Mathur, Director General TERI and Co-Chair Energy Transition Commission-International • Future outlook green climate financing Samir Ashta, Chief Financial Officer and Director- Finance, CLP India
1200 – 1645 hrs	<p>B. Action and Consultation Session</p> <p>This session will showcase tools, practices, methodologies and platforms for Sustainability Officers. It will provide varied frameworks that can be utilized to collaborate with stakeholders - both internal and external- in developing solutions for challenges in the sustainability domain.</p>
1200 – 1245 hrs	<ul style="list-style-type: none"> • Group Discussions with participating Sustainability Officers
1245 - 1315 hrs	<ul style="list-style-type: none"> • Session on Collaborative approaches to waste management <p>TERI's consortium for 'Waste-Proofing the Future' aims to address sustainable management of all forms of waste through a multi-stakeholder approach. The initial focus of the consortium will be on addressing the issue of plastic packaging waste with the goal to reduce (and eventually eliminate) single use packaging waste through research, policy and technological interventions.</p>
1315 - 1400 hrs	Lunch
1400 - 1445 hrs	<ul style="list-style-type: none"> • Session on SDGs and Indian Businesses <p>SDGXchange is a methodology that assists businesses in translating the SDGs into local business relevance and prioritizing relevant sustainability issues. Unlike most methods, SDGXchange allows a company to evaluate its readiness to innovate new products/services using region specific SDGs as a lens. This enables companies to be proactive in prototyping new services and products for long-term business sustainability.</p>
1445 - 1500 hrs	Tea Break
1500 – 1530 hrs	<ul style="list-style-type: none"> • Session on Matchmaking sustainability challenges with business solutions <p>INDUS is an online and offline entrepreneurial network aiming to improve sustainable and inclusive innovations in both Indian and Dutch businesses and thus enhancing future proof trade relations. Currently the INDUS Forum community boasts 31 Challenges and 19 Solutions across 38 Companies.</p>
1530 - 1540 hrs	Wrap-up and Next Steps
1545 – 1645 hrs	Guided Tour of TERI's State-of-the Art Technology Demonstration Facility
By 1700 hrs	Departure from TERI Gram
